

Issue 3

"Where your past doesn't matter!"

November 2008

What a Year!

Fundraising, Fundraising, fundrai...

Luncheon Buffet Fundraiser

Great food and fun games to play! Everyone also got to make a card for a teenager in need!

Thank you for all those who helped with our fundraising efforts! Every month we plan on having at least two fundraising events.

WE COULDN'T HAVE DONE IT WITHOUT YOU!!!!

There are so many people that have given of their time, money, and talent over this year. It is impossible to thank every person who had a hand, or a few hands, in helping The Broken Wall:

- ✎ Attorney John Herrold and Accountant Susan Grove, thank you for setting us on the right "legal" and "financial" road.
- ✎ Rep Todd Platts and Donna Austin, thank you for helping us obtain our 501c3 status faster.
- ✎ Harry, Beth, Andy, Norma, Josh, Caleb, Ashley, Samantha, Andy, Janet, Melinda, Wanda, Richard, and Darlene, thank you for helping to move us in, out, in, out, and out again.
- ✎ Dean and Christina at Kunkle's Insurance, Paul at Frey Realty, Marcie at Prudential Homesales, Tim at Brightside Rentals, Matt at Staples, Cindi at Graphik Masters, Atlas Rubber Stamps, the team at State Farm, Mickie at Meltech Computers, thank you for your patience, help, discounts and contributions from your businesses.

Immediately after the last newsletter went out, we found a building and with lots of help moved into it. We have been in that building since September 1st; however, due to inspection issues – we can not open our doors. Therefore, we will be moving out before we can even open our doors!

We could look at the situation and complain or we can look at it as being a season of learning, patience, and faith. From this season of frustration we have gained a lot of knowledge about codes, true faithfulness, and so much more. We have had to have GREAT patience in waiting and being in "limbo" over the last few months. But, most important for us – is that we truly had to keep the faith that God is in charge. That only God can open the door(s) needed and to everything there is a season.

As for the new location:

We are looking for a building inside York City limits with a minimum of 1500 square feet, at least two bathrooms (prefer one to be an ADA restroom), one large open area/room, and one closed off office space/area.

Can you help us?

- ✎ Richard, Darlene, Steve, and Linda; a huge thank you for calmly handling the heavy demands that have been placed on you as the Board of Directors and being great at it.
- ✎ Fundraiser sellers- without each of you our fundraisers would not be the successes they are. Likewise thank you to each person who has purchased during a fundraiser(s).
- ✎ Finally, a huge thank you to all of you who have donated, helped, and prayed for The Broken Wall over this past year. Without your contributions, this year would have looked completely different.

Upcoming Events

Sub Sale

Because of the success and demand for our sub sale, we will continue to do a sub sale every month, for those who would like to purchase and/or sell. If you would like to start helping us sell subs, contact us and we'll be sure to answer any and all questions.

Prayer Requests:

- ✎ God's continued guidance and direction for the leadership team.
- ✎ That we find favor with officials and people, in order to open.
- ✎ For the teenagers of York County.
- ✎ For this Christmas season to be the best one for everyone.

Areas/Items of need:

- ✎ A building.
- ✎ For volunteers and donors to give of their time, money, and talent. We need and are asking that individuals, organizations, and companies to give.
