Issue 5

**“It’s all in HIS timing”**

May 2009

## Home Sweet Home?

We may have found a home in West York; a perfect location for teenagers. Through a series of circumstances and ordained appointments we learned about an opportunity that involved a space (a school building in fact), owned by Family Worship Center church. After a few meetings and a good bit of prayer, on Good Friday we heard back from the church. They agreed to rent part of the building to us, including use of the Gym and Kitchen area for a *very, very* good rate.

However, there are two more hurdles to go through, yet.

1. In order to open our doors there, we need to get a zoning use variance. This will be decided on May 20<sup>th</sup>, at the West York Zoning Borough meeting.
2. We need to pass inspection. There is no handicapped accessibility entrances and this may be the issue that we have problems with.

We know that doors have been opened. The doors God opens, no man can shut. We solicit your prayers that the remaining items happen smoothly and that there will be no hiccups.

## CORPORATE SPONSORSHIP

We would like to extend appreciation and thanks to:

We are excited to welcome Harry and Beth Buhrman on the Board of Directors. We know they are both an asset to the Board and they both will do their best to help lead this organization in the way God wants it led.

## Advisory Committee

We would like to start up an Advisory Committee in the next few months. This group of people would help in fundraising, volunteering at events, and will help the Board of Directors in general areas of help and tasks.

If you are interested in being a part of this committee, please, let one of our Board members know.

## Silent Auction

In March we held our first Silent Auction. We want to thank everyone who donated, volunteered, and supported this fundraising event. It truly would not have been a success without you.
